A. School Fee Remission Scheme 2024/25

A. Aim

The School Fee Remission Scheme aims at providing financial assistance to eligible parents and enabling students to receive secondary education in Po Leung Kuk Ngan Po Ling College.

B. Eligibility Criteria

Applicant **MUST** be a parent or legal guardian of a student who has been enrolled to study F.1 to F.6 at Po Leung Kuk Ngan Po Ling College in the academic year 2024/25, who:

- (a) has applied for **School Textbook Assistance (TA) Scheme / Student Travel Subsidy (STS) Scheme / Subsidy Scheme for Internet Access Charges (SIA)** provided by the **Student Finance Office (SFO)** and have received the **2024/25 Eligibility Certificates (ECs)** from the **SFO**;

- (c) has not applied for any of the above schemes but is in need of financial assistance.

C. Method of Assessment

- 1. **For applicants with EC / NSA**, the school fee remission level will follow the Eligibility Level (either HALF or FULL) stated on the EC / NSA (treated as FULL).
- 2. **For applicants without EC / NSA**, the school will follow the formula adopted by the SFO to calculate the Adjusted Family Income (AFI) as a means to assess the eligibility for assistance and the level of assistance.

- (a) The AFI mechanism is based on the following formula:

$$\text{AFI} = \frac{\text{Gross Annual Income of the family in the preceding year}}{\text{Number of family members} + (1)^*}$$

- * For single-parent families of 2 to 3 members, the 'plus 1 factor' in the divisor of the AFI formula will be increased to 2.

- (b) Gross annual income of the family includes the annual income of the applicant and his/her spouse; 30% of the annual income of unmarried child / children residing with the family if applicable; and the contribution from relatives / friends if applicable. (Refer to Appendix 1)
- (c) The members of a family normally refer to the applicant, his/her spouse, unmarried child / children residing with the family and the dependent parent(s) who are supported by the

applicant and/or his/her spouse.

- (d) The AFI eligibility benchmarks for various levels of assistance in the 2024/25 school year are listed in the table below. **Please note that the AFI is not the average monthly income of a family.**

AFI Groups (HK\$)	Level of Assistance
0 – 44,496	Full*
44,496 – 86,039	Half
> 86,039	Ineligible

- * AFI thresholds for full level of assistance for 3-member and 4-member families are HK\$53,868 and HK\$49,559 respectively. For 2-member single-parent families and 3-member single-parent families, they are regarded as 3-member families and 4-member families respectively for determining the AFI thresholds for full level of assistance and calculation of AFI.
